MIXING COLORS

ROUND TABLES & CONSOLE

Tabletop color & leg color can be different. The colors you can mix can be chosen from the 4 options STUA offers.

For instance you can have a white top with black legs.

- X Codes show the top.
 - L Codes show the legs.
- The price is the same.

Please make sure you indicate clearly in your order: "mixing colors".

CONSOLE USE

The light design of the console does not allow to load it with heavy weights. Do not load with more than 20kg.

SPECIAL SIZE RECTANGULAR LAU TABLES

Minimum order for special size rectangular tables: 12 units.

This is due to the special logistic involved in the rectangular table inner reinforcement.

RECTANGULAR TABLES

Tabletop color & leg color have to match. Colors cannot be mixed.
