

Gigio&Gigione

Design Romani Sacconi

Two circular floating ottomans padded with non-removable cover. Turned beech wood base covered with anti-noise and anti-scratch cloth. The conical shape of the base allows for continuous oscillation, which finds its point of balance only thanks to the support of the feet of the user on the ground, who comfortably sits floating while sitting.

MATERIALS, COLORS AND FINISHES

MATERIALS MATCH

Materials can show differences in colour from one lot to another. Mogg srl declines any responsibility in the case of any colour differences for materials and does not guarantee the exact colour correspondence between this sample and the finished product. Mogg srl reserves the right to make the products and finishing the changes it deems appropriate, at any time and without notice.
