

Sfoglia

Design Bellavista & Piccini

Sfoglia is a shelf and also a desk in metal. Available in burnished and patinated bronze finishes. A thin sheet that, like the pages of a book, peel off the wall. The result is a very simple element formally but extremely versatile. With a single module that can also be mounted upside down, it is possible to have numerous combinations. Requires wall fixing.

MATERIALS, COLORS AND FINISHES

MATERIALS MATCH

Materials can show differences in colour from one lot to another. Mogg srl declines any responsibility in the case of any colour differences for materials and does not guarantee the exact colour correspondence between this sample and the finished product. Mogg srl reserves the right to make the products and finishing the changes it deems appropriate, at any time and without notice.
