

COMPONENTS, MATERIALS & FINISHES

Seat, backrest & puffs in plywood with exteriors in ash and walnut. Upholstered (non-removable) polyether sponge, in various fabrics and leathers available in BD. The structures are swivel base in fused aluminium or a tubular steel base with four legs.

The structure can be painted in Anthracite grey (RAL 7021 matte), Pale Brown (RAL 8025 matte) or Beige (RAL 1001 matte) Also available in a single colour, lacquered in red RAL 3004 (LAC M19) and Fusion Granat (TF 122) material.

The wood can be Natural ash FR13, ash stained oak FT18 or ash stained black and walnut, nature effect.

The decorative buttons in painted steel matching the same colour as the structure.

The armrests made out of curved galvanised iron sheets and upholstered with BD fabrics and leathers.

29,9" x 39" x 35,8" - 61,7 lbs

PACKAGING

All models are assembled and sent packaged in a cardboard box. For further information ask for the packing sheet.

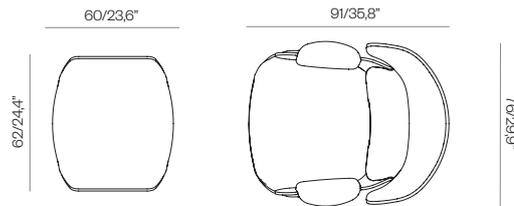

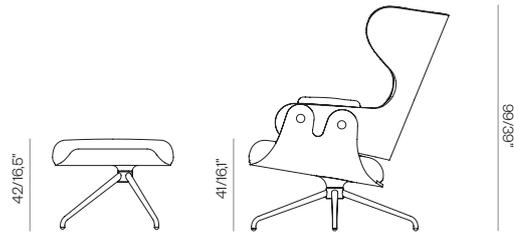

CLEANING AND MAINTENANCE

Both woods either the nature effect and or dyed, should be cleaned with a damp cloth using only water. The synthetic materials should also be cleaned with a damp cloth using only water. Leather finishes can also be cleaned in the same way, and for maintenance, a thin layer of a wax that is the same colour as the leather or a neutral one (colourless), can be applied.

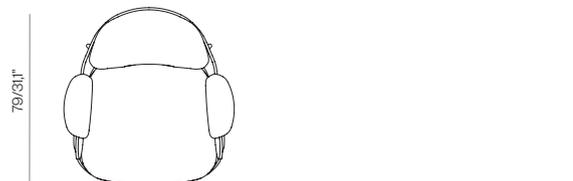

TESTS

The armchairs are certified in accordance with the following: NE 1728:2000 "Resistance & Durability".
