FINISHES:

The profiles with scotch polish and silver anodized, suitable for interior and exterior use. The upper area of the profiles can be applied with a 0.9mm laminate in Abet Laminati wood in oak or in white or black polaris, for interior use only.

LIMITATIONS:

For Table B 90 models, the legs can be placed inside, except for the top of 160 (overhang of 40cm) or outside, except 300 top (20cm overhang).

CLEANING AND MAINTENANCE:

The table with a silver anodized finish can only be cleaned with a cloth dampened with water and a little neutral soap, or with burning alcohol (methanol 95).
The table with a laminated finish can only be cleaned with glass cleaner (alcohol-free), an ecological cloth moistened with water. You cannot use aggressive products (low in pH), solvents or their derivatives.

TESTS:

Satisfactorily complies with EN 15372: 2008 and UNE EN 1730: 2000 standards.

PACKAGING:

The tables are shipped disassembled with the relevant assembly instructions.
The aluminum envelope is supplied in a wooden box protected inside with Celaire film plus bubble bag and 6cm foam protections.
Tthe legs on a pallet protected by a cardboard box.
* Check dimensions and weights in the rate.
