PRODUCT TYPE

Sideboard

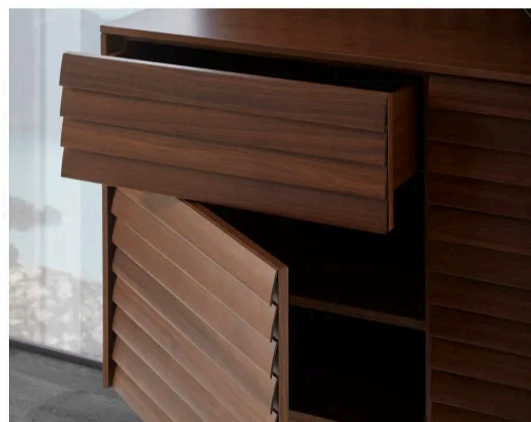

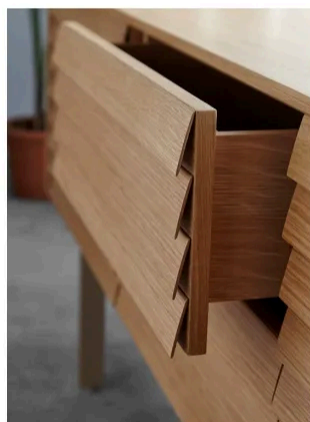

The Sussex modular system is inspired by the characteristic wood panel cladding of the barns of southern England. These repeated horizontal slats conceal the composition of the modules and serve as handles for doors or drawers. The collection includes different base options, as it can rest on a plinth, on adjustable feet or hung on the wall. Door elements include height-adjustable shelf.

TIPOLOGÍA DE PRODUCTO

Aparador

El sistema modular Sussex se inspira en los característicos revestimientos con tableros de madera de los graneros del sur de Inglaterra. Estos listones horizontales repetidos ocultan la composición de los módulos y sirven como tiradores para puertas o cajones. La colección incluye diferentes opciones de base, ya que puede descansar sobre un zócalo, sobre pies regulables o colgado a la pared. Los elementos de puertas incluyen estante regulable en altura.
