

BONALDO

Bodo

Bodo is a sophisticated classic armchair that allows you to furnish your house with elegance and comfort thanks to the attention to details and quality materials. Generous padding and curved shapes make the image of this armchair pleasantly soft. The aesthetic appeal is accentuated by the leather insert that vertically defines the armrests, and allows for a singular interplay of materials and combinations to create a high-impact optical effect. The upholstery in fabric or leather is fully removable. The base in painted metal is unobtrusive and highlights the single volume impact of the classic armchair design; it can be chosen in a fixed version (with four traditional feet), or in the comfortable swivel version.
