

Febe

Ernesto Gismondi
Daniele Moioli

Daniele Moioli

Moioli has been working with Artemide for over 20 years, and is the current Design Division Director. He has designed several products with Michele de Lucchi, including the Logico Garden.

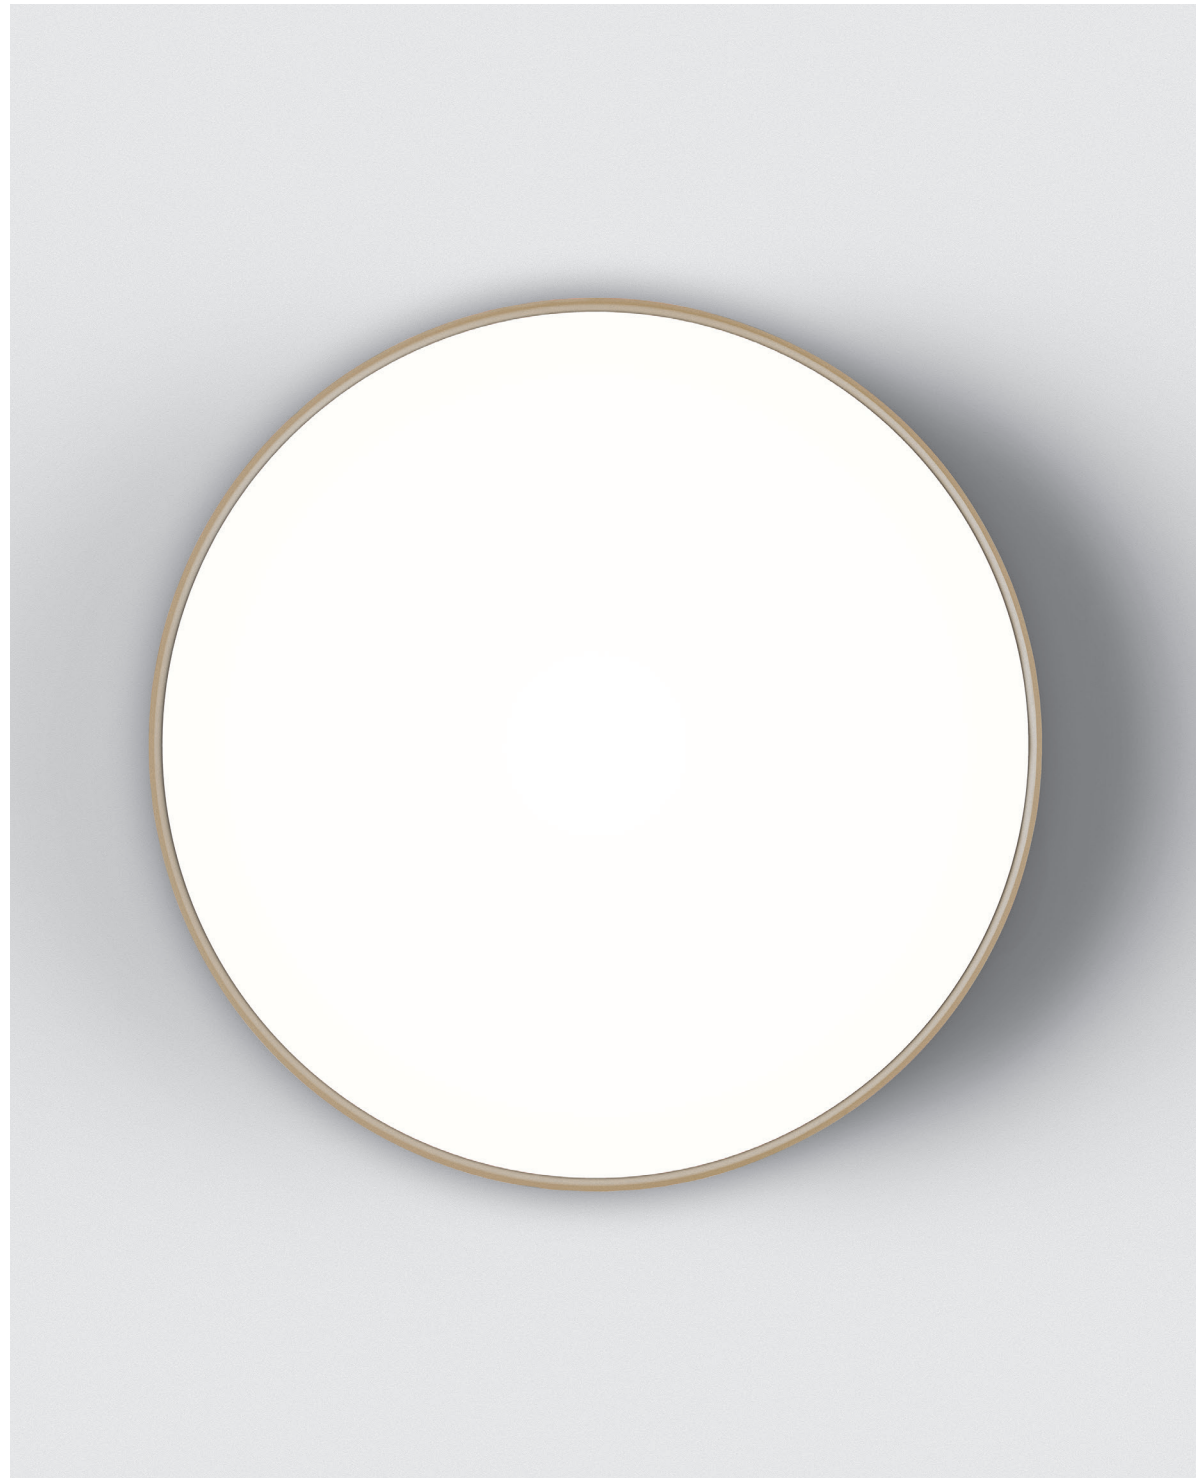

Ernesto Gismondi

The father of Artemide, Ernesto Gismondi propelled his involvement in the Memphis Design movement into profoundly revolutionizing the field of lighting design in both Italy and the world.

Born on Christmas Day, Gismondi began his career as an Aeronautical Engineer. Bringing industrial concepts, materials and finishes into lighting designs for both domestic and public space underlines Gismondi's adherence to meaningful innovation. Recognizing his international contributions to the field of lighting manufacture, he was awarded a Compasso d'Oro lifetime achievement award in 1995.

Minimal

Febe's minimal design ensures maximum LED light performance strong enough to light up an entire room. Its simple yet strong presence can fit any space and is especially suited for the home.

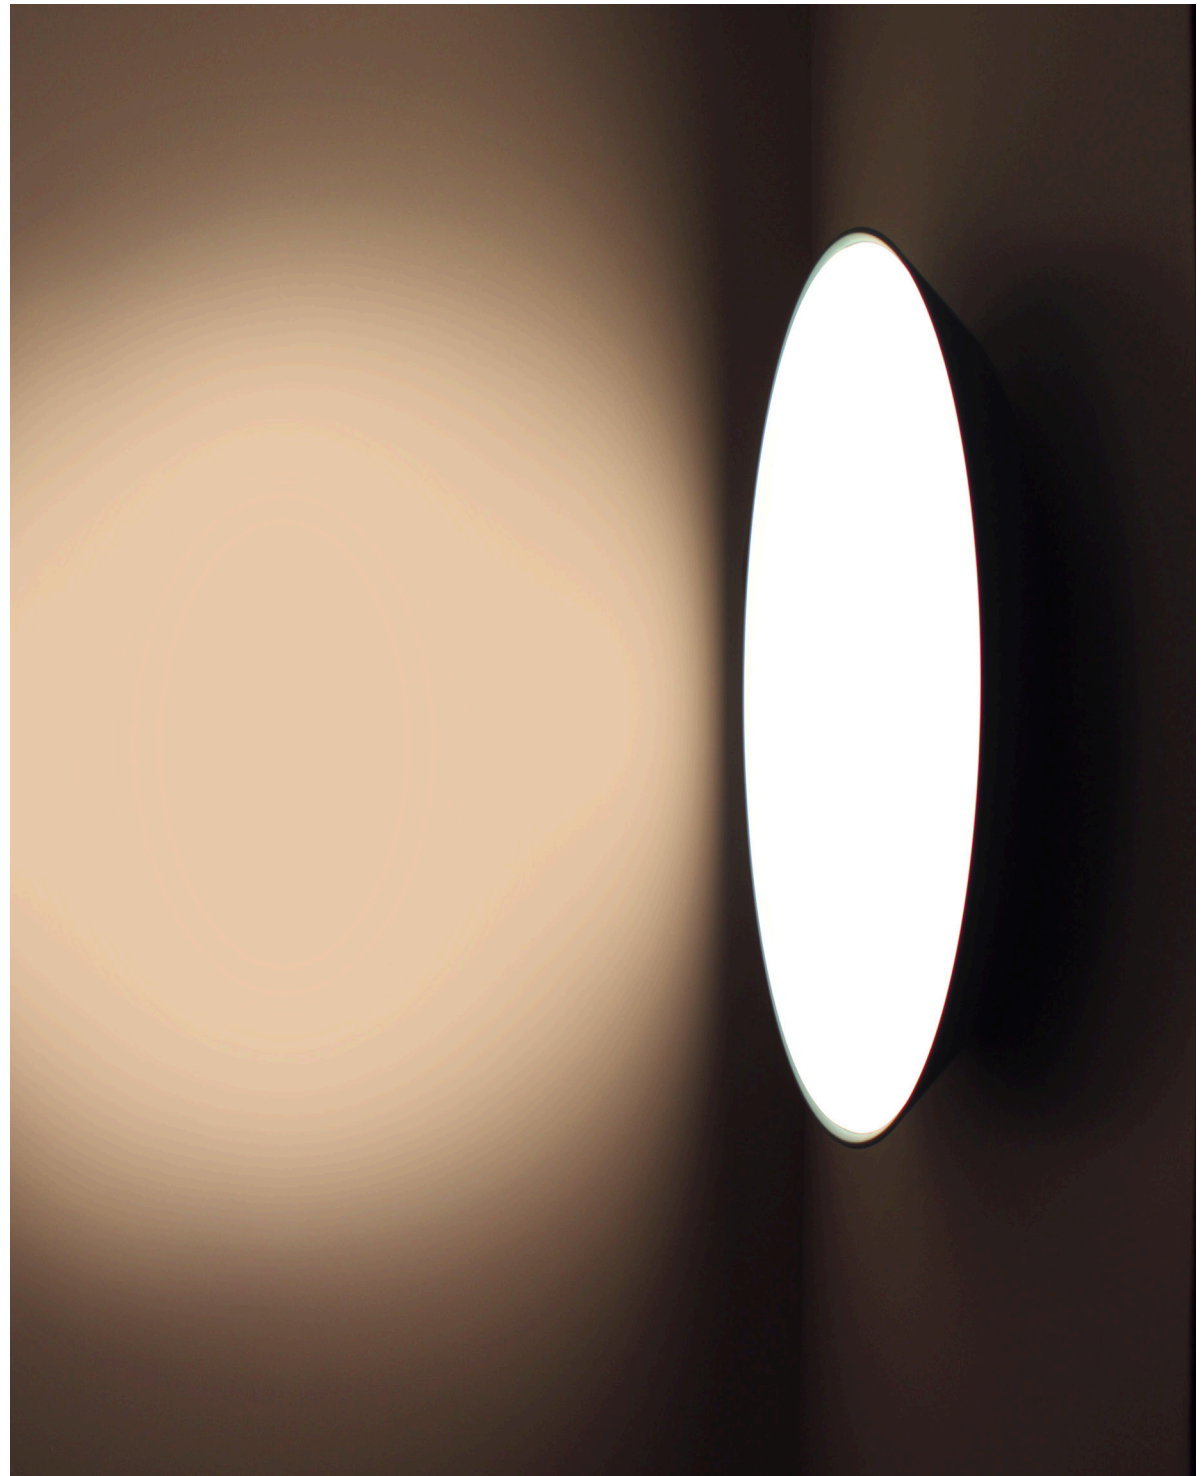

Accent

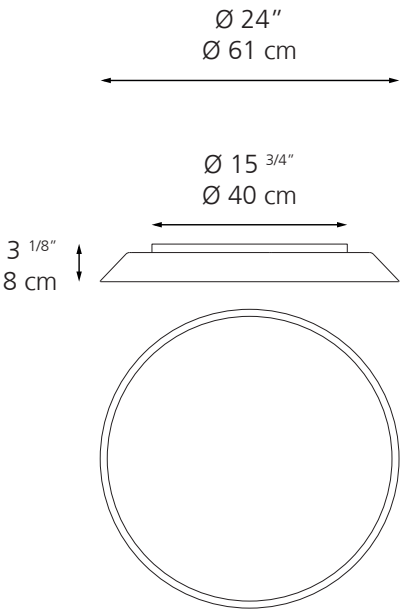

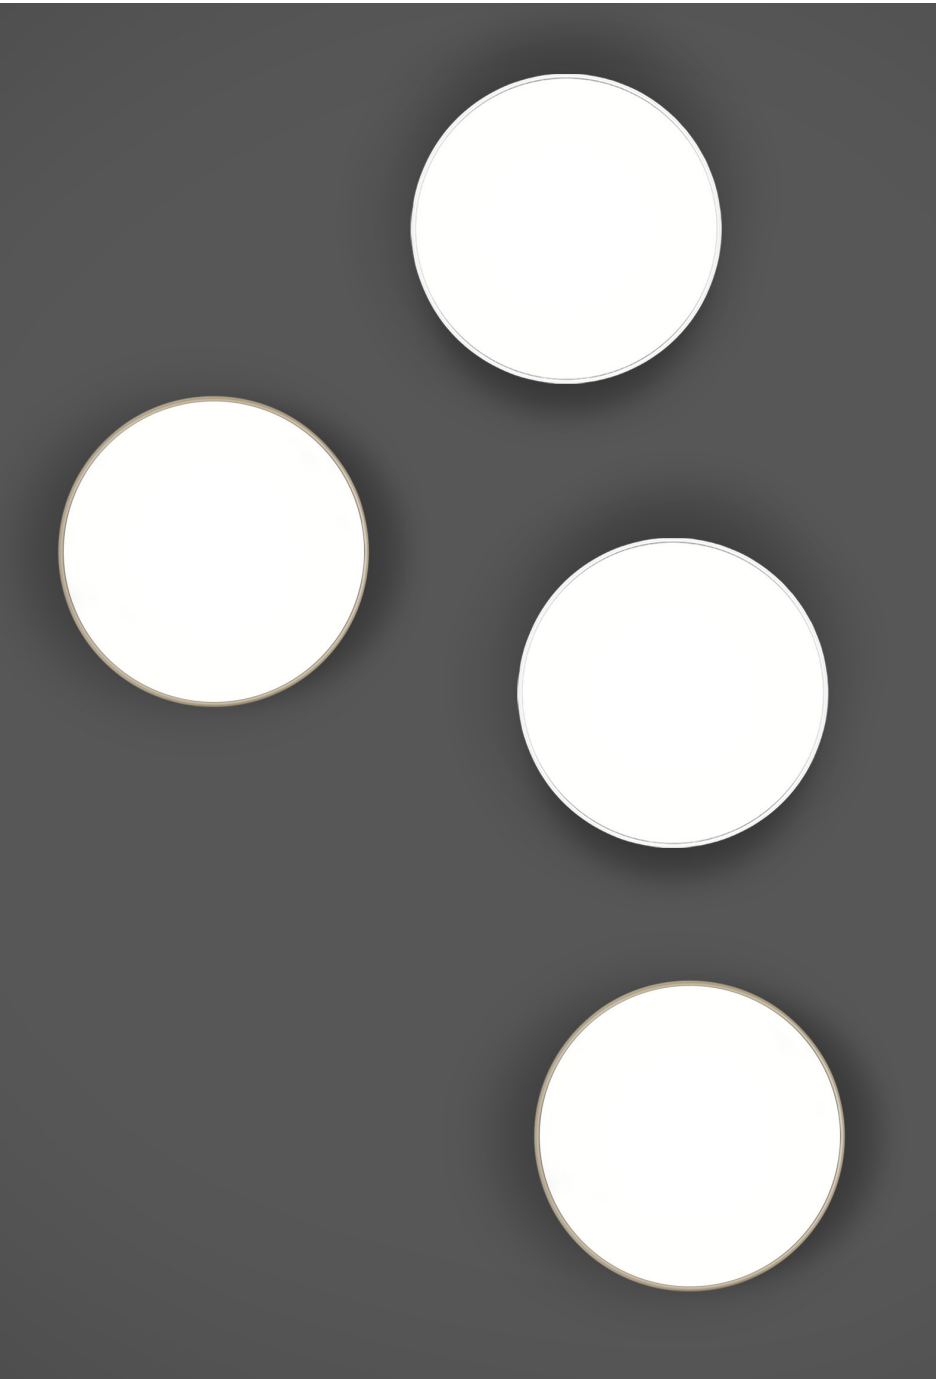

A splash of orange, turquoise or dove grey is visible around the side of the colored frame, adding a subtle design accent.

Optics

An optical engine produces a uniform and comfortable light emission, with lenses on each LED that widen the emission immediately near the source.

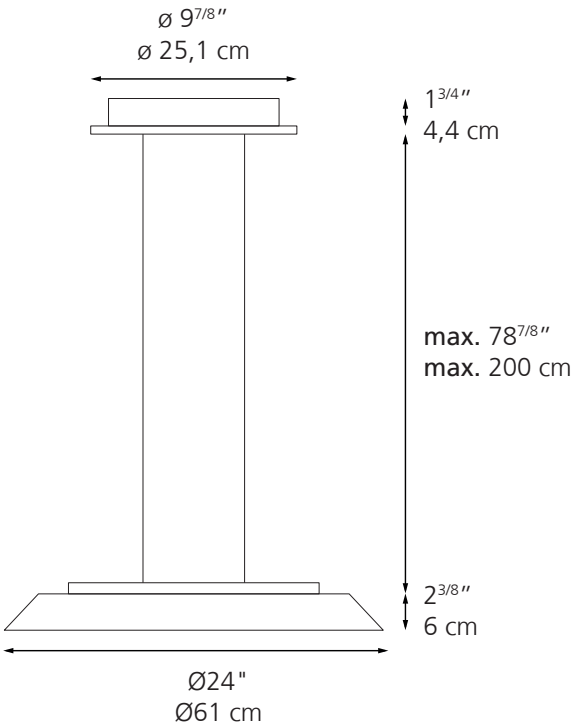

Febe Wall/Ceiling

MATERIALS	Body in injection-molded plastic. Diffuser in injection-molded polycarbonate.
EMISSION	Direct
LIGHT SOURCE	4x25.2W LED Array
TOTAL POWER	29.4W
DIMMING FEATURE	Dimmable 2-Wire
DELIVERED LUMENS	2238lm
CRI	>90
CCT	2700K or 3000K
FINISH	○ White ● Dove Grey
CERTIFICATIONS	c.UL.us listed, IP20, ADA compliant

Febe Suspension

MATERIALS	Body in injection-molded plastic. Diffuser in injection-molded polycarbonate.
EMISSION	Direct
LIGHT SOURCE	4x25.2W LED Array
TOTAL POWER	29.4W
DIMMING FEATURE	Dimmable 2-Wire
DELIVERED LUMENS	2238lm
CRI	>90
CCT	2700K or 3000K
FINISH	○ White ● Dove grey
