

# BONALDO

## Big Table

Designer: Alain Gilles

"L'inclinaison des pieds évoque le dynamisme, tandis que la linéarité du plateau confère une grande stabilité visuelle. Que ce soit immobile ou en mouvement, la Big Table possède un design résolument unique. Les pieds de la Big Table sont en acier découpé au laser, de tailles et de formes géométriques variées, peints dans de nombreuses combinaisons de couleurs. Le plateau, fixe ou extensible, est disponible en bois plaqué ou massif, en céramique ou en marbre. Une version en argile spatulée à la main dans différentes couleurs enrichit la collection. Adaptable, sculpturale, et fiable, la Big Table s'impose comme un élément central dans des contextes traditionnels ou contemporains grâce à ses nombreuses possibilités de personnalisation. Elle est devenue l'icône du style Bonaldo.

Pour célébrer les 10 ans du lancement de la Big Table, une édition spéciale a été créée en 2019 en marbre de Saint Denis."
