

BONALDO

Flame, Flame Wood

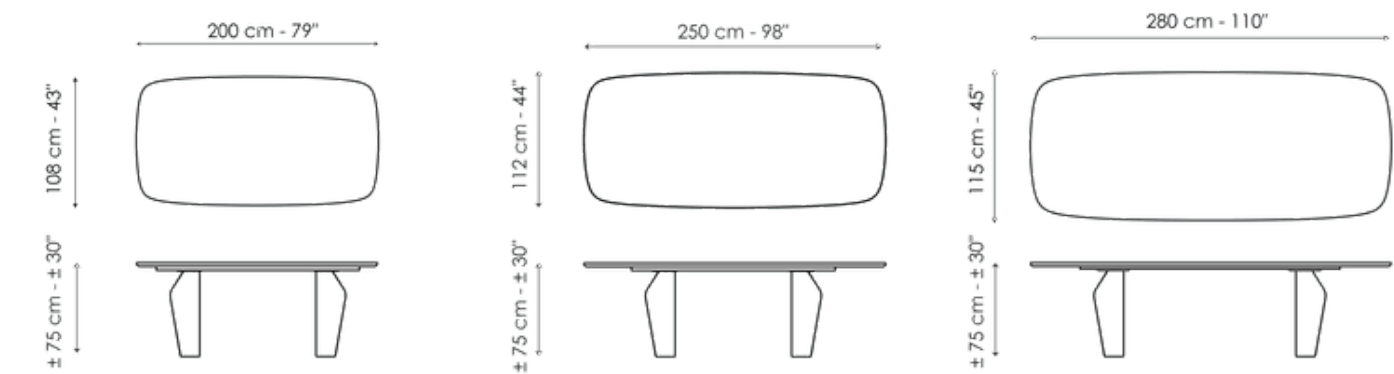

Designer: Gino Carollo

"Flame se distingue par ses formes harmonieuses et ses volumes légers et sinueux. Le plateau, visiblement suspendu, est entièrement utilisable grâce à la position de la double base, conçue pour optimiser l'espace global. Forme et fonction s'expriment parfaitement dans cette table, offrant de nombreuses options de personnalisation pour l'adapter à vos goûts, besoins et à l'ambiance de votre espace. Le plateau est disponible en plusieurs finitions sophistiquées, allant du bois à la céramique en passant par le marbre. Vous pouvez également choisir parmi différentes options métalliques pour la base. Une base en bois est également disponible pour cette table de salon moderne (Flame Wood)."
