

# BONALDO

## Noor too

Designer: Dondoli and Pocci

Notable for its slender and subtle shape, the Noor too upholstered stool is the result of a decision to highlight the shapes and enhance the comfort qualities of the padded sections which are mounted on the linear steel frame. The project is highlighted by the design of the cantilevered seat and backrest which although supported by the linear steel structure, seem almost suspended in the void. The large padded sections are designed to offer the body comfort while sitting along with freedom of movement. Noor too is available in different finishes, colours and materials, starting with leather, eco-leather or fabric upholstery.
