Yabu Pushelberg

marset

The result is a simple, discreet wall lamp with a shade over a directed spotlight that turns through 360°. The shade, like a hat, covers the spotlight, allowing the light to be directed upwards, bounce off the inside and project a beam of soft light, creating warm ambient lighting. If instead the spotlight is focused downwards, it projects a beam of direct light, turning the fixture into a reading lamp.

Finish
● Black (RAL 9005)
● Terracotta (RAL 050 50 40)
○ Chalk (RAL 085 80 10)
● Moss grey (RAL 7003)

Electrical
Electrical Rating: 120-277VAC 60Hz 3.1W
Luminaire: 137lm
CCT: 2700K
CRI: 90

Dimmable: Not dimmable

Materials
Structure: Steel
Tube: Aluminum

Dry locations only

Product Notes: This is a direct wire fixture and does not use a junction or receptacle box, see installation instructions for more details.

LED included
