

BONALDO

Isabey bedside table

Designer: Gabriele & Oscar Buratti

For the sleeping area, Gabriele and Oscar Buratti present the Isabey bedside table. The design is available in two versions, with one or two drawers, both featuring a rectangular top with rounded corners and the use of curved wood in Canaletto walnut, brown oak and charcoal oak finishes, tones that help create a warm and intimate atmosphere, particularly suited to the bedroom. The two versions are distinguished by the different relationship between volumes and the prominence of the base. In the two-drawer version, the volume is solid and offers greater storage capacity. In the one-drawer version, the metal base becomes more prominent, composed of two closely positioned tubular elements that recall the paired column of classical architecture.

Fiche de données

Isabey bedside table - 1 tiroir

Longueur: 48cm
Profondeur: 70cm
Hauteur: 47cm

Isabey bedside table - 2 tiroirs

Longueur: 48cm
Profondeur: 70cm
